of *School Crime and Violence* [2 volumes] There are essays on all key writers, film scripts, lively analyses of important topics and sub-genres, from serial killer novels to the contemporary breed of tough women writers and longer discursive essays on key themes including 'Social comment in crime fiction' and 'Crime fiction and sexuality'. While British crime fiction is enjoying greater popularity than ever (and television incarnations of such Brit classics as Sherlock Holmes and Jane Marple proliferate, along with more recent coppers such as the tough Inspector Rebus), there have been few really definitive volumes that rigorously examine the genre from the Golden Age to current bestselling writers The astonishing riches of the field, with its celebrated achievements from the Golden Age of Agatha Christie, Arthur Conan Doyle and Dorothy Sayers through to modern British writers such as PD James, Ruth Rendell and Ian Rankin, are given definitive examinations Buch About Wiley About Us Subjects Careers Events Locations Brands Investor Relations Newsroom Resources Authors Instructors Students Librarians Societies Booksellers Customer Support Site Map Contact Us Help Legal Privacy Policy Modern Slavery Statement Copyright 2000-2017 by John Wiley & Sons, Inc., or related companies 100 American Crime Writers provides critical biographies of some of the greatest and most important crime writers in American history Madden (Volume Editor), Justus Nieland (Volume Editor), John Clement Ball (Volume Editor) ISBN: 978-1-4051-9244-6 1584 pages December 2010, Wiley-Blackwell Description This Encyclopedia offers an indispensable reference guide to twentieth-century fiction in the English-language Destination, Rates & Speeds Stock Image
